You are expected to attend **ALL** meetings. PLEASE make the necessary arrangements **NOW** with your work to be available for ALL meetings and retreats. Please share this with your parents (guardians) **NOW**, so they can build your commitments to council into your family schedule. The only reasons for an excused absence should be a previously scheduled vacation. All absences must be submitted in writing (e-mail is fine) **in advance** to Mr. Eberhard. Otherwise your absence is considered unexcused and may lead to removal from your position. Also, keep in mind a good leader is on time - it is rude to keep others waiting. Respect your fellow members by being on time and prepared to work!
